

General Medical

24/7 access to doctors
from anywhere

Talk to a U.S.-licensed doctor for non-emergency conditions 24/7 from anywhere you are. We treat:

- Bronchitis
- Flu
- Rashes
- Sinus infections
- Sore throats
- And more

How it works:

- 1 Download the app, go online or call us to set up your account or log in
- 2 Complete or update a brief medical history
- 3 Request a visit and talk to a doctor within minutes
