

# Master Rain Gardener

*We will teach you everything we know about how to build a rain garden. Then you can design your own!*

A rain garden is designed to prevent water pollution and water runoff that floods our streets, driveways and basements. Master Rain Gardener, Michael McCreery, will teach you step by step how to design and build your own rain garden to protect the Earth.

Classes Location: 2410 S. Leaton Rd, Ste. 2  
Five Tuesdays sessions: May 21, 28 and June 4, 11, 18  
Time: 5:00P–6:30P

To register please contact Joseph Wemigwans by email at [joswemigwans@sagchip.org](mailto:joswemigwans@sagchip.org) or call 989-775-4217

Registration required, open to first 30 who register
