Freezing Moon/ Frost Moon

We want to announce and give a heartfelt “Bamapii” to Sam Anglin. He was recently given an opportunity to work at the Saginaw Chippewa Tribal College doing what he loves; cooking! He will be teaching Indigenous foods and spreading the culture with students and the community. We are so proud of Sam and can’t wait to see him thrive in his new environment. The housing department is going to miss you dearly, but we are happy to know you are just around the corner. May this new journey be full of blessings, new experiences, success, and good vibes all around. If anyone deserves it, it is you! Congrats Sam on the new job.
